Calendar of Member Events for 2022

Please see the dates for the **SDAP Member Events** for 2022 below.

Due to the uncertainty around the pandemic, we are planning for all of the 2022 events to be online. When the situation changes, then we will discuss the return to face-to-face events.

The **SDAP Topic Events** will focus on a topic of interest (e.g. synthetic data) and include presentations from SDAP members and/or guest speakers, followed by a Q&A session and discussion. The Topic Events will run for 2.5 hours and will include a comfort break.

In addition, we are proposing to run two **SDAP Member Meetings** in 2022. If acceptable, this will increase our events/meetings to six per year. The SDAP Member Meetings would focus on service updates from members, along with any other items raised by members for discussion. This would give the group more opportunity to network and discuss issues relevant to their organisation/service. With our Topic Events, we have observed that there is often a lack of time available for many members to give service updates and discuss issues arising. As a result, these proposed two additional meetings focused on member exchange could be a solution and further fulfil our aim to create space for exchange and, collaborative and collegiate ways of working.

In early 2022, we will be running a **SDAP Member Events Survey** to get your views on our proposal to increase the number of events/meetings, and to hear about the topics that are of interest to you. We are very keen to shape the Topic Events around members' interests and to give members opportunities to share their knowledge and expertise.

If members wish to have two extra Member Meetings, we will add these meetings to the calendar below. If members prefer to have four events per year (as we have done in 2021), then we will include the service updates and any other items as part of these.

In the meantime, you can add the following dates to your diaries for the Topic Events. We will circulate instructions for registering nearer the time. The topics will be confirmed after we have the results from the SDAP Members Survey.

SDAP Topic Events dates

Topic	Date	Meeting format
TBC	Tuesday 8 th March 2022, 10.00 – 12.30	Online
TBC	Tuesday 7 th June 2022, 10.00 – 12.30	Online
TBC	Tuesday 6 th September 2022, 10.00 – 12.30	Online
TBC	Tuesday 6 th December 2022, 10.00 – 12.30	Online
