

## Calendar of Topic Events for 2023

Please see the dates for the **SDAP Topic Events** for 2023 below.

We are planning for all of the 2023 events to be online whilst also offering options to meet face-to-face where feasible. Updates will be given on a meeting by meeting basis.

If you would like to volunteer to host an SDAP meeting (and are able to support a hybrid meeting) please contact us at: [sdap@ukdataservice.ac.uk](mailto:sdap@ukdataservice.ac.uk)
